The Maintenance Professional's Choice

RED SPRAY GREASE 980

Sprays as a deep penetrating liquid that flows into areas which are difficult to lubricate. Then, as the solvent carrier evaporates, the liquid forms into a grease that is resistant to high temperature and pressure. After setting up, the grease will not wash away with water or steam and will resist throw-off and heavy shock load. Withstands acid, salt spray and oxidation.

FEATURES

- Non Chlorinated
- Lithium-Based
- High Temperature and Pressure Resistance
- Prevents Water Washout
- Withstands Harsh Chemical Environments

FOR USE ON

- Wire rope, open gears, linkages, draglines, fittings, winches, cranes, cams, valves, cables, hoists, pulleys and rollers

Specs:

Can Size	16 oz.
Net Weight	11 oz.
Shipping Weight	9 lbs.
Packaged	12 cans per case
Extender Tube	Yes
Regulatory:	
Recyclable Package	Yes
Flammable	Yes
Physical Characteristics:	
Color	Red
Odor	Solvent
Shelf Life	1 year +
